NOVEMBER DEMONSTRATION PROGRAM:

Sibyl Johnson - OIL PAINTING

We look forward to Sibyl Johnson, our guest artist, offering a demonstration in oil painting. She will be demonstrating painting rocks and will focus on simplifying the composition and the color of shadows in rocks.

Sibyl has drawn since she could hold a crayon but her plan to work as an artist was not possible. She earned her way as an educator for 30yrs. For all those years Sibyl took figure drawing at night and painting during summer breaks. Besides majoring in studio art, Sibyl has studied with numerous professional artists including Ray Roberts, Mark Kerckhoff, Kim English and locally Claire Thorson. Sibyl is proud to be an artist level member of The California Art Club, a Signature Member of California Plein Air Association, a founding and Signature Member of Monterey Plein Air Association. Sibyl is represented by Carmel Valley Art Association

CALL FOR HELP We are looking for a couple of members who could help our Publicity Chair, Bobby Brainerd, distribute or leave some of our new CCAA information cards at local places. This will help us get out the word to local artists who are looking for ways to interact with the art community. Contact Bobbie at bobbiebrainerd@gmail.com or call **831.809.3449**.
